

ADDITIONAL BENEFITS INCLUDED

ROADSIDE ASSISTANCE SERVICES

- Towing/Wrecker Service
- Gas Delivery
- Flat Tire Change
- Battery Jump Service
- Lockout Services

RENTAL CAR REIMBURSEMENT

Payments are limited to the actual rental cost not to exceed thirty-five dollars (\$35) per day, not to exceed seven (7) days.

TRIP INTERRUPTION

Reimbursement for meals and lodging when a covered failure occurs more than 100 miles from home - \$100 per day, up to 3 days.

MANUFACTURER'S DEDUCTIBLE REIMBURSEMENT

If a part is replaced under the manufacturer's warranty and that same part is covered under the contract, we will pay the deductible that the manufacturer charged up to a \$100 maximum.

ROAD HAZARD TIRE

In the event your tire(s) incurs damage from a road hazard, we will pay or reimburse for receipted expenses for a tire repair (\$20 maximum), or if not repairable, for tire replacement up to a maximum of one hundred dollars (\$100) for each tire replacement per occurrence, up to 4 occurrences during the contract term.

Refer to the actual service contract for complete terms and limitations of coverage.

PROTECT YOURSELF FROM COSTLY REPAIRS

LET US HELP PROTECT YOU FROM FUTURE VEHICLE REPAIR COSTS

When buying any vehicle, there is always a chance of having a mechanical breakdown. Mechanical breakdowns can be very expensive to repair. With a vehicle service contract from Vision Warranty Corporation, you can add protection against the unexpected high cost of vehicle repairs, in some cases eliminating the cost altogether.

FEATURES

NATIONWIDE COVERAGE

Repairs can be completed at any licensed repair facility in the United States and Canada.

DIRECT PAYMENT

The repair facility is paid directly with a corporate credit card on authorized claims.

WEAR AND TEAR

All plans cover ordinary wear that exceeds the manufacturer's published tolerances.

ONE DEDUCTIBLE PER VISIT

Regardless of the number of components repaired, only one deductible is paid per visit.

TYPICAL REPAIR COSTS

Estimated repair costs based on retail parts pricing and labor based on nationally recognized labor guides.

COVERAGE PLANS AND OPTIONS

LEVEL 1 COVERAGE

This plan only covers the items listed in section 1-4 below.

1. ENGINE:

Cylinder block, cylinder head and all internally lubricated parts; intake manifold, exhaust manifolds without internal catalytic converter; water pump, harmonic balancer and its bolt and pulley; valve covers, timing cover, timing belt and tensioner, timing chain, and gears; oil pump cover, gears, pressure relief valve, pickup and screen; oil pan, internal fasteners, engine mounts, flywheel, turbo/supercharger and waste gate; seals and gaskets for listed parts.

2. TRANSMISSION:

Transmission/transaxle case and all internally lubricated parts; extension housing, transfer case and all internally lubricated parts; torque converter, valve body, transmission pan, viscous coupler, shift linkage, bell housing, electronic shift control unit and solenoids; flex plate, ring gear, transmission mounts; seals and gaskets for listed parts.

3. DRIVE AXLE:

Differential housing and all internally lubricated parts; differential cover, front and rear wheel drive axle shafts; constant velocity joints and boots, universal joints, four wheel drive engagement actuator, four wheel drive locking hubs, drive shafts, center support and bearings; drive shaft yokes; seals and gaskets for listed parts.

4. ADDITIONAL HYBRID/PLUG-IN ELECTRIC COMPONENTS:

Electric motor/generator(s) and all internal components; inverter/converter/transformer units including all internal components; reduction/reducer box and all internal components; seals and gaskets.

LEVEL 2 COVERAGE (INCLUDES ALL ITEMS LISTED IN LEVEL 1)

This plan covers all items listed in section 1-10.

5. BRAKES: (ABS/NON-ABS):

Master cylinder, wheel cylinders, vacuum and hydraulic brake boosters, metal hydraulic lines and fittings, calipers, backing plates and hardware, proportioning and combination valves, brake pedal assembly, electronic brake control unit, wheel speed sensors, pressure modulator control/isolation dump valves, high pressure hydraulic pump, solenoids, accumulator; seals and gaskets for listed parts.

6. AIR CONDITIONING:

Condenser, compressor, evaporator, expansion valve, orifice tube, clutch, coil and pulley, idler pulley and bearing; receiver dryer, o-rings, oil and refrigerant (when required with a covered repair due to leaks); manual climate control head, hi-low pressure cut off / cycling switch, A/C hoses and lines; seals and gaskets for listed parts.

7. STEERING:

Steering gear housing and internal parts; power steering pump, its internal parts and reservoir; rack and pinion housing and internal parts; power steering hoses, steering column shaft, couplings and bearings; pitman arm, idler arm, tie rod ends, center link; seals and gaskets for listed parts.

8. SUSPENSION:

Upper and lower control arms, shafts and bushings; stabilizer bars, bushings and links; torsion bars and their mounts and bushings, radius arms and bushings, strut bars and their links and bushings; spindle, spindle support and steering knuckle; ball joints; seals and gaskets for listed parts.

9. FUEL:

Fuel pump (mechanical or electrical), fuel pump relay, fuel distribution rails, fuel level sending unit, lift pump; seals and gaskets for listed parts.

10. ELECTRICAL:

Alternator, voltage regulator, starter motor and solenoid; front and rear wiper motors; wiper motor relays and delay switch/module; washer pumps and switches; back up light switch, stop lamp switch, neutral safety switch, glove box light switch, courtesy light and door jamb switches, ignition switch, ignition lock cylinder and any electrical switch that is physically touched by a vehicle occupant to activate an accessory.

LEVEL 3 COVERAGE (INCLUDES ALL ITEMS LISTED IN LEVEL 1 & 2)

★ *Our highest level of coverage.*

EXCLUSIONARY COVERAGE:

LEVEL 3 covers all of the components covered for LEVEL 1 and LEVEL 2, along with all other parts on the vehicle except for those listed in the EXCLUSIONS section of the service contract.

Some examples of parts that are not covered under this plan are: tire wear, wheels, shocks, brake shoes or pads, rotors or drums, accessory drive belts, exhaust pipes, catalytic converters, mufflers and resonators, pressure plate, clutch disc, pilot bearing, throw-out bearing, clutch engagement arm and pivot, spark plugs, distributor cap, body parts, interior trim parts or fabric, glass, paint, or frame. Any part that is considered regular maintenance is not covered. For a complete list of EXCLUSIONS, see the actual service contract.

This is a general overview of coverages used for marketing purposes only and does not constitute your contract. Refer to the actual service contract for coverage exclusions, terms, and conditions.

POWERTRAIN BASIC (LIMITED HIGH MILEAGE VEHICLE COVERAGE)

This plan only covers the items listed in section 1-5 below.

1. ENGINE:

Engine parts consisting of crankshaft & bearings, oil pump, oil pump pickup/screen and tube, pistons, piston rings, wrist pins, connecting rods & bearings, timing gears, timing chain/belt, timing tensioners/guides, balance shaft, camshaft, bearings, push rods, rocker arms/shaft, hydraulic lifters, intake and exhaust valves and springs, cylinder head gaskets. Engine block covered if mechanical failure was due to the failure of the above-listed parts.

2. TRANSMISSION:

Transmission/transaxle case and all internally lubricated parts; extension housing, transfer case and all internally lubricated parts; torque converter, valve body, viscous coupler, ring gear.

3. DRIVE AXLE:

Differential housing and all internally lubricated parts; differential cover, front and rear wheel drive axle shafts; constant velocity joints and boots, universal joints, four wheel drive engagement actuator, four wheel drive locking hubs, drive shafts, center support and bearings; drive shaft yokes.

4. ADDITIONAL HYBRID/PLUG-IN ELECTRIC COMPONENTS:

Electric motor/generator(s) all internal components; inverter/converter/transformer units including all internal components and cover; continuously variable transmission and all internal components; power split device and all internal components; reduction/reducer box and all internal components.

5. SEALS AND GASKETS:

Seals and gaskets are only covered in conjunction with the repair of above-listed components.

OPTIONAL COVERAGES

TOTAL LOSS REFUND:

If this option is selected, the contract holder will be refunded their full purchase price of the service contract if the covered vehicle is deemed a total loss by the contract holder's primary automobile insurance provider due to collision or acts of God during the term of the contract. Maximum refund amount cannot exceed the purchase price of the contract, with a maximum limit of liability of \$2,000 or the current NADA Loan Value of the vehicle, whichever is less.

COMMERCIAL USE:

This surcharge must be selected for the vehicle to be covered if the vehicle is intended for commercial use. Eligibility is limited to the following: cars, trucks and vans used for route or realtor sales, ride share, inspections, maintenance, repair, landscaping, carrying tools to a job site and eligible vehicles owned by religious or charitable organizations. In addition, any vehicle that has commercial plates. Vehicles equipped for or used in the following industries are absolutely excluded: farming, forestry, agriculture, welding, road construction or oil field industries; taxicab, rental, limousine, auto transport, shuttle or livery service; any emergency response vehicles either private or municipal, private security, mail carrier or any other pick up or deliver services; waste removal, dump truck, tow truck, hazardous material transportation; military, federal, state, city or government use; or fleet/pool vehicles used by multiple drivers.

SNOW PLOW:

The Snow Plow surcharge must be selected for the vehicle to be covered if the vehicle is equipped with a snow plow. The snow plow must meet the manufacturer's recommendations for the vehicle on which it is installed. The snow plow and all of its assembly are excluded from coverage.

LIFT KIT / TIRE MODIFICATIONS:

The Lift Kit/Tire Modifications surcharge must be selected for the vehicle to be covered if the vehicle is equipped with oversized tires or body or suspension lifts at the time of vehicle purchase. The lift kit/tire modifications and all of their assemblies that are in addition to factory installed parts are excluded from coverage. The maximum increase for a body/suspension lift combined cannot exceed six (6) inches. The maximum tire height modification allowed is four (4) inches larger than the manufacturer specifications.

This is a general overview of coverages used for marketing purposes only and does not constitute your contract. Refer to the actual service contract for coverage exclusions, terms, and conditions. Terms and conditions may vary by state. Coverage may not be available in all states.
