

August 12, 2011 – A look back at history (some 70 years)

## 70 years of history and people who remember...

**MADAWASKA** – Adrian Gagnon remembers back in the day, even before the Main Street location and he displays it proudly. Adrian is pictured with his pristine Fraser FCU sweatshirt (circa 1998) and his new NorState FCU cap (2010). Adrian and his wife Leola Gagnon, now retired, are active volunteers in the community and work hard all year long for family reunions and Acadian Festival events and more. So, on this busy Acadian Festival day, Adrian still managed to come in for a visit and do business. If you have any Fraser Employees or Fraser FCU memorabilia and would like to showcase or donate your items, please contact Denise Cote at NFCU by calling 1-207-728-7555, ext: 34.
